I received a small box of 12 manila envelopes, a laptop which I returned to Chris Freed after copying some files and about 10 thumb drives from the EU.

Fyi. My understanding is that these document boxes will be shipped to Denver this week. Also, my understanding is that approximately one additional box of "property files" from the Durango ICP was also delivered to Dan Wall yesterday. The content delivered to Dan is NOT included in the attached index.

Good Afternoon Dave and Phoebe,

Attached is the DOCL Master Inventory Matrix. There is 27 boxes total. Hopefully the attached Matrix will make it easier to find thing you need. The hard copy is included in box #1.

The GKM response was a great experience and I enjoyed my time on this project very much.

Have a great weekend.
